Was the experience well organized (travel, housing, scheduling, etc)?

1 2 3 4 5

Were the accommodations satisfactory?

1 2 3 4 5

Comments:

Fun and Social Aspect:

Please comment on how this placement has or has not changed your perspective on rural medicine. What did you learn about rural medicine? Does it vary from urban settings?

What would make this rotation more fun/ more challenging?

Overall evaluation and comments.

Thank you for your time.
